## Simple Minds

God gave me traveling shoes, God gave me the wanderers eye  
God gave me a few gold coins to help me to the other side  
Looked around and said, Be careful how small things grow  
God gave me traveling shoes and I knew that it was time to go  
Sent in the ship at night to take me to the hidden  
port  
Found me the key at last to open up the prison door  
Brought down the blackbird's wings, gifted me with beggar's eyes  
Sent in the jackals to tell me I should say bye, bye, bye  
I'm home, home  
Home, home, home  
And I'm home, home  
Home, home, home  
But I'm miles and miles and miles and miles and miles away  
Where can I hide?  
God gave me one last chance, gave me one last reprieve  
Jah gave me hunger, gave me the air to breathe  
Gave me one suitcase, gave me one last goodbye  
Gave me traveling shoes, without them I would surely die, die, die  
Home, home  
Home, home, home  
Home, home  
Home, home, home  
Miles and miles and miles and miles and miles away  
Miles and miles and miles and miles and miles away  
Where can I go?  
Where can I hide, hide?  
I'm home, home  
Home, home, home  
And I'm home, home  
Home, home, home  
And I'm miles away  
Miles away  
But I'm miles away
