

# Hey Brother

Alistaire

Hey brother, there's an endless road to rediscover  
Hey sister, no the water's sweet but blood is thicker

Ooooooh with the sky comes falling down,  
for you there's nothing in this world I wouldn't do

Hey brother, do you still believe in one another  
Hey sister, do you still believe in love I wonder

Ooooooh with the sky comes falling down,  
for you there's nothing in this world I wouldn't do

What if I'm far from home, oh brother I would hear your calls  
What if I'd lose it all, oh sister I'd help you then

Ooooooh with the sky comes falling down,  
for you there's nothing in this world I wouldn't do

Hey brother, there's an endless road to rediscover  
Hey sister, do you still believe in love I wonder

Ooooooh with the sky comes falling down,

for you there's nothing in this world I wouldn't do
