See If You Swim

Self

You make me want to give
You make me want to learn
You make me want to shut up and wait my turn
You make me feel high
You make me feel low
You make me want to tell all I knowI'm gonna throw you in the ocean
Throw you in the ocean
Throw you in the ocean
And see if you swim
I'm gonna throw you in the ocean
Throw you in the ocean
Everybody knows it may swallow you downYou make me want to die
You make me want to live
You make me want to pull out my hair and forget
You make me want to shine
You make me want to glow
You make me want to tell everyoneI'm gonna throw you in the ocean
Throw you in the ocean
Throw you in the ocean
And see if you swim
I'm gonna throw you in the ocean
Throw you in the ocean
Everybody knows it may swallow you downBaby girl
I've know I've been going through alot of changes
But if I don't.. then the music stays in the same key
(You make me wanna...oooh)You make me want to give
You make me want to learn
You make me want to shut up and wait my turn
You make me feel high
You make me feel low
You make me want to tell all I knowI'm gonna throw you in the ocean
Throw you in the ocean
Throw you in the ocean
And see if you swim
I'm gonna throw you in the ocean
Throw you in the ocean
Everybody knows it may swallow you down
* repeat *
