

Share My World

Mary J. Blige

Share my world
Don't you leave
Promise I'll be here
Whenever you need me near
Share my world
Don't you leave
Promise I'll be here
So baby don't you have no fearShare my world
Don't you leave
Promise I'll be here
Whenever you need me near
Share my world
Don't you leave
Promise I'll be here
So baby don't you have no fearOh, la la la
Won't you share my world (won't you share my world)
Won't you share my world (won't you share my world)
Won't you share my ooh, la la laWon't you share my world (come share my world)
Wont you share my world (won't you share my world)Won't you share my world (share my world)
