I feel a misfit

to manipulate
when i stipulate
that's my prerogative
I tell you

when i stipulate
it's going round round
tell you what i've foundsex sells

when it's all your life to chooseYou play the game

Don't care if it's a fallacy
oh what's the harm

make sure your be thinFree
to manipulate
when i stipulate

so what you gotta prove
when it's all your life to chooseFree
to manipulate
when i stipulate
