

# Look Through My Eyes

Phil Collins

There are things in life you learn  
And, oh, in time you'll see  
It's out there somewhere, it's all waiting  
If you keep believing  
So don't run, don't hide  
It will be alright  
You'll see, trust me  
I'll be there watching over you  
Just take a look through my eyes  
There's a better place somewhere out there  
Just take a look through my eyes  
Everything changes, you'll be amazed what you'll find  
There's a better place if you look through my eyes  
There will be times on this journey  
All you'll see is darkness  
But out there somewhere daylight finds you  
If you keep believing  
So don't run, don't hide  
It will be alright  
You'll see, trust me  
I'll be there watching over you  
  
Just take a look through my eyes  
There's a better place somewhere out there  
Just take a look through my eyes  
Everything changes, you'll be amazed what you'll find  
There's a better place if you look through my eyes  
All the things that you can change  
There's a meaning in everything  
And you will find all you need  
There's so much to understand  
Take a look through my eyes  
There's a better place somewhere out there  
Just take a look through my eyes  
Everything changes, you'll be amazed what you'll find  
Oh, just take a look through my eyes  
There's a better place somewhere out there  
Just take a look through my eyes  
Everything changes, you'll be amazed what you'll find

You'll find a better place if you look through my eyes  
Just take a look through my eyes  
If you look through my eyes  
Take a look through my eyes
