Can You Feel It

Ross Lynch

Ladies and gentleman
The time is here
The time is now
All over the world
Paris
Saint Tropez
Everyone on holiday
Put your drinks in the air
This time
Jean Roch
Can you Feel it?

Can you Feel it?
Jean Roch says
Can you Feel it?
Jean Roch says
Can you Feel it?
Jean Roch says
Can you feel it, feel it , feel it

Can you Feel it?
Can you Feel it?
Can you Feel it?

I can feel my heart, my energy
And I got my fire burning inside
Just like each and everyone of us
All the stories with a happy end
Featuring a man with comeback plans
And IÂ’ve got all the power of love

Can you Feel it?
Can you Feel it?
Can you Feel it?

Can you Feel it?
Can you Feel it?

Everyday I know I feel the pain and
Every night I know I don't lose the game

Cause you don't know all I have in my mind
I can feel the glory in my dreams
In my life, I just see you and me
Together, we can be so strong

Get your hands up, (come on), everybody, (let's go)
Get your hands up, (come on), everybody, (let's go)
Can you feel it, (say Y)
Can you feel it, (say Y)
Can you feel it, (say Y)
Can you feel it, (say Y)

Let's Go!

Can you Feel it?
Can you Feel it?
Can you Feel it?

(she can feel it)

Can you Feel it?
Can you Feel it?
(feel it)
(feel it)
