

The Night Owls

Little River Band

There is a bar right across the street
He's got a need he just can't beat
Out on the floor he shuffles his feet away He'll get the girl 'cause he looks so fine
He's gonna win her every time
He knows he will, he's dressed to kill
He's a night owl Move on, there's a howl of a night owl calling
To belong, she's crying in the night
Be strong, find the heart of a night owl falling
Stay up till dawn, until the night is gone What will become of the restless kind
Where do they go when they've done their time
Wearing their hearts out on the line for all to see Must be the gypsy in their soul
They have a need to rock and roll
They always will, they're out there still
They're the night owls Move on, there's a howl of a night owl calling
To belong, she's crying in the night
Be strong, find the heart of a night owl falling
Stay up till dawn, until the night is gone There is a bar right across the street
He's got a need he just can't beat
Out on the floor he shuffles his feet away, yeah-e-yeah He'll get the girl 'cause he looks so fine
He's gonna win her every time
He knows he will, he's dressed to kill
He's a night owl Move on, there's a howl of a night owl calling
To belong, she's crying in the night
Be strong, find the heart of a night owl falling
Stay up till dawn, until the night is gone
