## The Night Owls

## **Little River Band**

There is a bar right across the street He's got a need he just can't beat Out on the floor he shuffles his feet awayHe'll get the girl 'cause he looks so fine He's gonna win her every time He knows he will, he's dressed to kill He's a night owlMove on, there's a howl of a night owl calling To belong, she's crying in the night Be strong, find the heart of a night owl falling Stay up till dawn, until the night is goneWhat will become of the restless kind Where do they go when they've done their time Wearing their hearts out on the line for all to seeMust be the gypsy in their soul They have a need to rock and roll They always will, they're out there still They're the night owlsMove on, there's a howl of a night owl calling To belong, she's crying in the night Be strong, find the heart of a night owl falling Stay up till dawn, until the night is goneThere is a bar right across the street He's got a need he just can't beat Out on the floor he shuffles his feet away, yeah-e-yeahHe'll get the girl 'cause he looks so fine He's gonna win her every time He knows he will, he's dressed to kill He's a night owlMove on, there's a howl of a night owl calling To belong, she's crying in the night
