I'm a Girl

Peace

The creators of man were calm, kind and nice
But nature demands we fuck, eat and fight
If you're not macho, then try to be funny
If you can't fuck or fight then I hope that you're hungryDo you feel like a man?
Cause you got blood on your hand?
If we're living in a man's world
I'm a girl, I'm a girl, I'm a girlWhen I was in Digbeth, I felt so alone
I'm not sure that violence was born in my bones
I'm not loud and scary, no red blooded ares
Put snake round my neck, but I'm not gonna wear itDo you feel like a man?
Cause you got blood on your hand?
If we're living in a man's world
I'm a girl, I'm a girl, I'm a girlDo you feel like a man?
Cause you got blood on your hand?
If we're living in a man's world
I'm a girl, I'm a girl, I'm a girlI don't feel like a man
I don't feel like a man
