

# Dance With Me (DJ Smooth Montana Remix)

112

I see you looking at me  
I can tell by your eyes that your feeling me  
and I really want you to get close to me  
so won't you dance with me, dance with me  
my drop tops at the parking lot  
an I wanna take you back to my spot  
but we still got a little more time to rock  
so won't you dance with me, dance with me I can see you over there  
just chilling with your girlfriends  
can't believe your by yourself  
you should be here with me, chillin with me  
drinking with me, freaking with me oh yeah I see you looking at me  
I can tell by your eyes that your feeling me  
and I really want you to get close to me  
so won't you dance with me, dance with me  
my drop tops at the parking lot  
an I wanna take you back to my spot  
but we still got a little more time to rock  
so won't you dance with me, dance with me I can see it in your eyes that  
your looking at the time  
you wanna leave this party  
and I know you wanna leave this with me  
to chill with me, to drink with me,  
to freak with me I see you looking at me  
I can tell by your eyes that your feeling me  
and I really want you to get close to me  
so won't you dance with me, dance with me  
my drop tops at the parking lot  
an I wanna take you back to my spot  
but we still got a little more time to rock  
so won't you dance with me, dance with me I see you looking at me  
I can tell by your eyes that your feeling me  
and I really want you to get close to me  
so won't you dance with me, dance with me  
my drop tops at the parking lot  
an I wanna take you back to my spot  
but we still got a little more time to rock  
so won't you dance with me, dance with me if your sexy and you know it clap your hands  
if your sexy and you know it clap your hands

if your sexy and you know it  
and you really wanna show it  
if your sexy and you know it clap your hands I see you looking at me  
I can tell by your eyes that your feeling me  
and I really want you to get close to me  
so won't you dance with me, dance with me  
my drop tops at the parking lot  
an I wanna take you back to my spot  
but we still got a little more time to rock  
so won't you dance with me, dance with me I see you looking at me  
I can tell by your eyes that your feeling me  
and I really want you to get close to me  
so won't you dance with me, dance with me  
my drop tops at the parking lot  
an I wanna take you back to my spot  
but we still got a little more time to rock  
so won't you dance with me, dance with me I see you looking at me  
I can tell by your eyes that your feeling me  
and I really want you to get close to me  
so won't you dance with me, dance with me  
my drop tops at the parking lot  
an I wanna take you back to my spot  
but we still got a little more time to rock  
so won't you dance with me, dance with me
