

Relax (Pete Bellis Remix)

Mika

Took a ride to the end of the lane
Where no one ever goes
Ended up on a broken train with nobody I know
But the pain and the longing's the same
When you're dying
Now I'm lost and I'm screaming for help alone Relax, take it easy
For there is nothing that we can do
Relax, take it easy
Blame it on me or blame it on you It's as if I'm scared
It's as if I'm terrified
It's as if I'm scared
It's as if I'm playing with fire
Scared
It's as if I'm terrified
Are you scared?
Are we playing with fire? Relax
[Love] There is an answer to the darkest times
It's clear we don't understand it, but the last thing on my mind
Is to leave you
I believe that we're in this together
Don't scream, there are so many roads left Relax, take it easy
For there is nothing that we can do
Relax, take it easy
Blame it on me or blame it on you Relax, take it easy
For there is nothing that we can do
Relax, take it easy
Blame it on me or blame it on you Relax, take it easy
For there is nothing that we can do
Relax, take it easy
Blame it on me or blame it on you Relax, take it easy
For there is nothing that we can do
Relax, take it easy
Blame it on me or blame it on you It's as if I'm scared
It's as if I'm terrified
It's as if I'm scared
It's as if I'm playing with fire
[Relax]
Scared
It's as if I'm terrified

Are you scared?
Are we playing with fire? Relax
Relax [spoken:] Same day I want to dress for wedding
Same day while I won't married
What happened, He's go married another girl
While he's married another girl, I am very very sad
I can talk like God take my legs
How he's married a different lady, I no believe. After one months I am send up in balcony
Some bomb, come for my eyes. My eyes gone.
My eyes gone in bomb, now I have only one eyes.
I am sad, until now I no married any man after.
