

# The Right Way

Ron Pope

When you undress, I just can't keep my hands off of you. And you look so small, all wrapped up in my arms, i'm  
so, in love with you. And i'm yours if you're mine,  
don't wanna waste no more tiime,  
cos i wanna live and i wanna love you the right way,  
and i wanna fall asleep and wake up with you beside me. I won't spend the rest of my life, running from  
everything that's right, iiii wanna live. i ripped your dress, in the frenzy to get, close to your skin, yes i did you  
tried not to laugh, stood there in your slip, you said: "come here to me" i'm yours if you're mine  
don't wanna waste no more tiime cos i wanna live and i wanna love you the right way  
and i wanna fall asleep and wake up with you beside me,  
i won't spend the rest of my life running away from everything that's right, iiii wanna live And i'm yours if  
you're mine, don't wanna waste no more tiime,  
cos i wanna live, and i wanna love you the right way And i wanna fall asleep, and wake up with you beside me. I  
won't spend the rest of my life, running from everything that's right, ii wanna live oh i wanna live, and i wanna  
love you the right way, and i wanna fall asleep and wake up with you beside me i won't spend the rest of my life,  
running from everything that's right, ii wanna live mmm hmmm
