

# You Love 'cos You Like It

## The Hollies

You love 'cause you like it  
You like it because you're loving me  
You touch 'cause you like it  
You like it because you're touching me  
You kiss 'cause you like it  
You like it because you're kissing me  
You hold 'cause you like it  
You like it because you're holding me

(Repeat 2X)

When we first met some time ago  
I didn't know what it'd be like  
Just because I'd been hurt before  
I didn't know it could work out  
I didn't know it could work out  
I got something to shout  
You love 'cause you like it  
You like it because you're loving me  
You kiss 'cause you like it  
You like it because you're kissing me  
It came so easily  
Now I don't want to be free  
'Cause something in my heart  
Tells me I want to be a part of you

(Repeat 2X)

You love 'cause you like it  
You like it because you're loving me  
You kiss 'cause you like it  
You like it because you're kissing me
