

# Harrowdown Hill

Thom Yorke

Don't walk the plank like I did  
You will be dispensed with  
When you've become inconvenient Upon Harrowdown Hill  
Near where you used to go to school  
That's where I am  
That's where I'm lying down Did I fall or was I pushed?  
Did I fall or was I pushed?  
And where's the blood?  
And where's the blood? I'm coming home  
I'm coming home  
To make it all right  
So dry your eyes We think the same things at the same time  
We just can't do anything about it  
We think the same things at the same time  
We just can't do anything about it So don't ask me  
Ask the ministry  
Don't ask me  
Ask the ministry We think the same things at the same time  
There are so many of us  
So you can't count We think the same things at the same time  
There are too many of us  
So you can't count Can you see me when I'm running?  
Can you see me when I'm running?  
Away from them  
Away from them I can't take their pressure  
No one cares if you live or die  
They just want me gone  
They want me gone I'm coming home  
I'm coming home  
To make it all right  
So dry your eyes We think the same things at the same time  
We just can't do anything about it  
We think the same things at the same time There are too many of us  
So you can't  
There are too many of us  
So you can't count It has me led to the backroom  
Harrowdown Hill  
It has me led to the backroom  
Harrowdown Hill It was a slippery slippery slippery slope

It was a slippery slippery slippery slope  
I feel me slipping in and out of consciousness  
I feel me slipping in and out of consciousness  
I feel me
