Here I Go Again

Laleh

Father, hear my prayer
I need the perfect words
Words that he will hear
And know they're straight from you
I don't know what to say
I only know it hurts
To see my only friend slowly fade away
So maybe this time I'll speak the words of life
With your fire in my eyes
But that old familiar fear is tearing at my words
What am I so afraid of?
'cause here I go again
Talking 'bout the rain
And mulling over things that won't live past today
And as I dance around the truth
Time is not his friend
This might be my last chance to tell him
That you love him
But here I go again, here I go again
Here I go again
Lord, you love him so, you gave your only son
If he will just believe, he will never die
But how then will he know what he has never heard
Lord he has never seen mirrored in my life
So maybe this time I'll speak the words of life
With your fire in my eyes
But that old familiar fear is tearing at my words
What am I so afraid of?

'cause here I go again
Talking 'bout the rain
And mulling over things that won't live past today
And as I dance around the truth
Time is not his friend
This might be my last chance to tell him
That you love him
But here I go again, here I go again
Here I go, here I go again
So maybe this time I'll speak the words of life

With your fire in my eyes
But that old familiar fear is tearing at my words
What am I so afraid of?
'cause here I go again
Talking 'bout the rain
And mulling over things that won't live past today
And as I dance around the truth
Time is not his friend
This might be my last chance to tell him
That you love him
This might be my last chance to tell him
That you love him
You love him, you love him
What am I so afraid
What am I so afraid
What am I so afraid of?
How then will he know
What he has never heard
