

As

Marsha Ambrosius

Verse 1

As around the sun the earth knows she's revolving
And the rosebuds know to bloom in early May
Just as hate knows love's the cure
You can rest your mind assured
That I'll be loving you Always

Verse 2

As now can't reveal the mysteries of tomorrow
But in passing we'll grow older everyday
Just as all is born is new
You know what I say is true
That I'll be loving you Always

Chorus

Until the rainbow burns the stars up in the sky (Always)
Until the ocean covers every mountain high (Always)
Until the dolphin flies and parrots live at sea (Always)
Until we dream of life and Life becomes a dream

Vamp

Did you know that true love asks for nothing
Her acceptance is the way we pay
Did you know that life is giving love and guaranteed
To last through forever another day

Verse 3

Just as time knew to move on since the beginning
And the seasons know exactly when to change
Just as kindness knows no shame
Know through all your joy and pain
That I'll be loving you Always

Verse 4

As today I know I'm living for tomorrow
Could make me the past but that I mustn't fear
For I know deep in my mind that love of me I've left behind

Cuz I'll be loving you Always

Chorus 2

Until the day is night and night becomes the day (Always)
Until the trees and seas just up and fly away (Always)
Until the day that 8 times 8 times 8 is 4
Until the day is the day there are no more

Until the day the earth starts turning right to left (Always)
Until the earth just for the sun denies herself (Always)
Until dear Mother Nature says her work is through (I'll always love you)
Until the day that you are me and I am you (Always)
