

A New Reign

Devin Townsend Project

Reign, far from the river
Reign, far from the garden oh...He won't suffer
I'm underwater
I'll hold you So while you cry my love
I never wanted sorrow or pain
Yet here we are again! He won't suffer, I'm underwater
I'll hold you. Now why'd you die on me?
No words will come now. Reign, far from the river
Reign, far from the garden oh...WHERE DID YOU GO? I never wanted to be in this place, where you had to
leave me cold
I never wanted to be in this place, did you have to leave me cold? Reign, far from the river (please release me)
Reign, far from the garden oh... You won't suffer. You won't suffer
While underwater, I'll hold you So why'd you cry my love
I never wanted sorrow or pain
Yet here we are! I will never let you leave my mind.
