

# High and Low

Joshua Radin

When the old soles of your shoes are worn through  
And it's too far to find your way home  
You're feeling older than you used to  
Can't stop thinking you'll be left alone. Don't you worry now  
Don't let life get you down  
Just remember you're mine! And I'll see you in the high and low  
In the high and low I'll find you  
And I'll see you anywhere you go  
Anywhere you go  
I'll follow you anywhere.  
You say you're so cold  
As you reach for  
My oldest t-shirt to keep you warm  
We'll never grow old  
We'll never want more  
This love will weather any storm. Don't you worry now  
Don't let life get you down  
Just remember you're mine. And I'll see you in the high and low  
In the high and low I'll find you  
And I'll see you anywhere you go  
Anywhere you go  
I'll follow you anywhere  
Hey hey I will  
I will follow you  
Hey hey I will  
I will follow you down  
Hey hey I will  
I will follow you  
Hey hey I will  
I will follow you. And I'll see you in the high and low  
In the high and low I'll find you  
And I'll see you anywhere you go  
Anywhere you go  
I'll follow you anywhere. Hey hey I will  
I will follow you  
Hey hey I will  
I will follow you down  
Hey hey I will  
I will follow you

Hey hey I will  
I will follow you.
