Bunk Trunk Skunk

Be Your Own Pet

[Repeat: x2]
I am an independent mother fucker
And I'm here to take your money
I'm waking round and I'm here
To steal away your virginity

[Repeat: x2]
Give me everything I'll break up your limbs and I'll
Put you in a truck and take you around the world
Think you're really cool 'cause of my lies
You all love yourself may say you're better than me

[Repeat: x2]
I am an independent mother fucker
And I'm here to take your money
I'm waking round and I'm here
To steal away your virginity

[Repeat: x2]
Give me everything I'll break up your limbs and I'll
Put you in a truck and take you around the world
Think you're really cool 'cause of my lies
You all love yourselves and you better love me
