Can't Forget

Number One Fan

I know I change my mind all the time,
But this one's gonna stick for a while...You wanted everything right,
I wanted everything wrong,
That way I could walk away from the mess
Cos you don't impress me no more.Don't try to explain it,
Can't talk your way from this one.
I, I fell in love, and you,
You didn't fall anywhere.
You wanted everything right,
I wanted everything wrong,
That way I could walk away from this
Cos you don't impress me no more.Don't try to explain it,
Can't talk your way from this one.
I, I fell in love, and you,
You wouldn't know a thing about that.I guess I'm off track.
A thing about that.I lost interest when you held my hand.
This had to be love, you said.
I remember every word that day;
How could I forget?
I, I can't forget, and
I, I can't forget, and
I, I can't forget, and
I, I can't forget.I can't forget.
