Christmas Party (feat. Marvelle P.)

JustPierre

[Intro]
Party people in the house
I got a song for y'all

[Verse 1]
I pull up like Joseph in his chariot
Was guilty, but my case moved to out-of-court settlement
The weight of sin, only one Man could carry it
The government is on His shoulders, no matter who's president
He's more than a mere man, He's Heaven-sent
He shook the world, we've been talking 'bout Him ever since
Centuries later, yet His name still relevant
Threw His weight around and left tracks like a elephant
La Di Da Di, we like to party
We don't cause trouble, we don't bother nobody
We drunk off the Spirit, no need for bacardi
All we need is Jesus at this party, Jesus at this party

[Chorus]
Welcome to my Christmas party
Don't wanna miss this party
I invite you to my Christmas party
This the turn-up of the year, don't wanna miss this party, WHOA!

[Verse 2]
I'm a servant of the LORD, I'm His instrument
He the Most High, I'm under His influence
Uh, we've been forgiven of our insolence
It's through the blood of Christ that we're made innocent, YEAH
The devil had us bound, straight hostage
The result of sin was a stained conscience
Now we picture perfect, the devil can't crop this
He's the Rock, I ain't talking 'bout Dwayne Johnson
La Di Da Di, we like to party
We don't cause trouble, we don't bother nobody
We drunk off the Spirit, no need for bacardi
All we need is Jesus at this party, Jesus at this party

[Chorus]

[Verse 3]
Ain't no party like a Holy Ghost party
Cuz a Holy Ghost party don't stop
(Ain't no party like a Holy Ghost party
Cuz a Holy Ghost party don't stop)
I said, ain't no party like a Holy Ghost party
Cuz a Holy Ghost party don't stop
(Ain't no party like a Holy Ghost party
Cuz a Holy Ghost party don't stop)

[Verse 3: Marvelle P.]
Ain't no party
Like a Holy Ghost party [Repeat]
