

Heard Somebody Say

Devendra Banhart

I heard somebody say, that the war ended today
But everyone knows it's goin' still
Our motherlands and motherseas, here's what we believe
It's simple, we don't wanna kill I heard somebody say, that the war ended today
But everyone knows it's goin' still
Our motherlands and motherseas, here's what we believe
It's simple, we don't wanna kill Oh, it's simple, we don't wanna kill
Oh, it's simple, we don't wanna kill
