

# Turn They Back (feat. Lil Durk)

YFN Lucci

[Intro: YFN Lucci]

Why they turn they back on me

Ay, tell me why them niggas

Yeah yea yea uh huh[Hook: YFN Lucci]

Let me know if you feel my pain yeah

To the niggas who turned they back on me yeah

Hey tell me why them niggas changed

You know got a crawl a little

You can ball a little but maintain

Niggas turned they back on me

Yeah I guess that's in the game yeah uh[Verse 1: YFN Lucci]

Uh, I was gettin' it slower yeah

I was playin' with fishes I get in that bowl

Yeah you swim with the fishes, go and get a cold

And I can tell some shit but I ain't never told yeah

I can sell you some shit but you ain't never sold shit

And I can tell by yo' wrist that you still on that old shit

I might go grab a Givenchy and Louis my whole fit

And my pocket got a whole .30

And the clip so long hold the whole .30

Take a trip do a show that's a whole 30

I've been down so long feel like I deserve it

If anything you can bet I'm workin' yeah yea uh[Hook: YFN Lucci & Lil Durk]

Let me know if you feel my pain yeah

To the niggas who turned they back on me yeah

Hey tell me why them niggas changed

You know got a crawl a little

You can ball a little but maintain

Niggas turned they back on me

Yeah I guess that's in the game yeah uh

New Year

Turn up, turn up, turn up

Let's get it![Verse 2: Lil Durk]

I'm in something came from nothin' man I grew up impossible

Name a ring rap and sing, king, Demarcus Cousins

Niggas traded on me deeply niggas fake for nothin'

Bro and them legal doin' truckin', they ain't start for nothin'

Strapped like Uzi Vert put you on a shirt niggas say they love you hard but be the one to hurt you first

Put some niggas in the dirt, I've been real since birth  
And we ain't known to bust back pussy nigga we shoot first  
Gucci jacket damn near 5 stacks, I was trappin' 5 packs  
Thought it was McDonalds' with these 5 MACs  
If you shoot we blast back, I was taught to blast back  
Bitches had me side tracked they know we can't have that[Hook: YFN Lucci]

Uh huh

Let me know if you feel my pain yeah  
To the niggas who turned they back on me yeah  
Hey tell me why them niggas changed  
You know got a crawl a little  
You can ball a little but maintain  
Niggas turned they back on me  
Yeah I guess that's in the game yeah uh
