Don't Wanna Think

Kristine W

I don't want to think about that
I don't want to think about that
I don't want to think about that
I don't want to think about thatDon't tell me
There have been signs that I've seen
And I do believe my eyes
My eyes can see clear as anyone's
See as clear as anyone's
And all these things don't touch me
I keep saying to my friends
I'd care if I had time to just give away
But I don't want to think about that
I don't want to think about that[Chorus]
I get up
I work hard
I go out
I come home
I get up
I go out
I work hard
I come homeNow there's a man and everyday
I see him on the street
He's asking for change
And he looks my age
Yeah, I know he looks my age
I don't want to think about that
Turn on the news
When I get home
Just a second has to pass
I turn the volume down
And I'm on the phone
'Cause I, I don't want to think about that[Chorus]Oh, I don't want to think about that, no
I've got a job like others have
And when people take my time trying to set the world to right
It kinda drives me mad
Oh, it really drives me mad
I'm not so bad
I'm not a fool
I'm not blind

But I do believe my eyes, my eyes can see clear as anyone's
It's just, I don't want to think about that[Chorus * 2]
