

Morning Dew

Devo

Walk me out in the morning dew, my friend
Walk me out in the morning dew today
Can't walk you out in the morning dew, my friend
Can't walk you out in the morning dew today I thought, I heard a baby cry this morning
I thought, I heard a baby cry today
You didn't hear no baby cry this morning
You didn't hear no baby cry today Where have all the people gone this morning?
Where have all the people gone today?
You'll never find no people here this morning
You didn't need those people anyway I thought, I heard a young male call this morning
I thought, I heard a young male call today
You didn't hear no young girl call this morning
You didn't hear no young girl call today And now I can't walk you out in the morning dew, my friend
I guess it doesn't matter anyway
