

# New Scene

**Felix Cartal**

Dont believe...  
Everything's not what it seems  
I can't believe...  
There were more steps to this dream.All I wanted was something more  
Than what everyone was reaching for  
I can't believe...  
It was all a dream.I'll be the best escape of the in between  
I'll be the...  
First step to a brand new scene  
All I wanted was more... x3Draw the line...  
Count to three and close my eyes  
And now's the time...  
Take a chance, make up my mind.All I wanted was something more  
Than what everyone was looking for  
I can't believe...  
It was all a dream.I'll be the best escape of the in between  
I'll be the...  
First step to a brand new scene  
All I wanted was more... x3
