

# Mario Kart Love Song

## Scared Of Dinosaurs

You be my princess,  
and I'll be your toad,  
I'll follow behind you,  
on Rainbow road,  
Protect you from Red shells  
where ever we go,  
I promise.

No one will touch us,  
if we pick up a Star  
And if you spin out,  
you can ride in my Kart.  
When we slide together,  
we generate sparks,  
in our wheels and in our hearts.

The finish line is just around the bend,  
i'll pause this game,  
so our love will never end. . .  
let's go again.

The blue shell is coming,  
so i'll go ahead,  
if you hang behind,  
it'll hit me instead,

But never look back cuz i'm down but not dead,  
I'll catch up to you.

Don't worry about Bowser or DK,  
Just eat this glowing mushroom  
and they'll all fade away. . .

The finish line,  
is just around the bend,  
I'll pause this game,  
so our love will never end,  
Let's go again.

The finish line,

is just around the bend,  
i'll pause this game,  
so our love will never end,  
Let's go again.

To the Mushroom cup,  
And the Flower cup,  
And the Star cup,  
And the Reverse cup.

wooooo hooo,  
walalalalalalala  
walalalalalaluigiiiiiiiiiiiiiii. . .

SAM HART HAS AN AWSOME MUSTACHE!!!
