

I Know

Ashanti

IRV GOTTI:

Dear Lord, I come to You a humble man
Asking Your forgiveness for all my sins that I've committed throughout my life

And Lord, I ask of You one more thing

Have mercy on my enemies, for they not know what they do

As we proceed, Chapter II

I know it gets hard for us sometimes

And I know we can't stop living this life

I know it gets harder everyday

But I know we can't stop living this way

Some days I would say there's got to be a better way

See, I don't know if I want to live my life like this for each and every day

But now I found that I've got to say

Even though it gets hard, I came this far

And I can't live my life no other way

CHORUS
2ND VERSE:

I tried to figure out if there's another path for me

'Cause all these ups and downs and ins and outs be kind of stressing me

But I could never see myself living like nothing else

It's hard to tell, but I know this life too well

BRIDGE:
Sometimes people just don't know

What they are and what to follow

Even when it don't seem right

Get on by and live your life

CHORUS
Ooooooh, ooooooh

Ooooooh, ooooooh

CHORUS X2
IRV GOTTI:

Yeah, for all my peoples living that everyday life

Sometimes you gon' have ups, sometimes you gon' have downs

Fight through that y'all, keep pushin' it, don't ever stop pushin, don't ever stop believing

Take the good with the bad

You know, it's gon' be alright
