

Spin the Dial

Beach Slang

The radio is loud and wild
And I'm too drunk to spin the dial
Bathe my bones in alcohol
So I don't have to think at all I was born at the bottom
But I never belonged
I'm hardly ever right
But I've never been wrong I can't get calm Amplifiers sting my teeth
And batter me with evil things
I take some drugs to fix my brain
They numb my tongue but miss the pain I was born at the bottom
But I never belonged
I'm hardly ever right
But I've never been wrong I got dust in my lips and a limp in my charm
But got a halo on my heart
