Fall

Slick Shoes

Lord, I'm distracted
By so many things of the world
My eyes always stray from you
But you are always watching over meI don't know how you could stand
Having me as your son
I'm always so selfish
And you are always so kindLord, you're always there for me
Without you, I don't know what I would do
You're always there for me
Without you, I don't know what I would doWhen everything is going well
I rarely stop and thank you
But, when nothing is going right
I stop and complain to youI don't know how you could stand
Having me as your son
I'm always so selfish
And you are always so kindLord, you're always there for me
Without you, I don't know what I would do
You're always there for me
Without you, I don't know what I would doDon't let me, don't let me fall
Don't let me fall, don't let me fall
Don't let me fall
