

# Dog Huntin Man

David Cooler

Verse I:

Well what do you know itâ€™s that time again,  
to meet at the clubhouse with all my friends  
You donâ€™t know what youâ€™re missing,  
let me tell you why ...  
My daddy started this club many years ago,  
with a lot of hard work he made it grow  
Into a way of life just for you and me ...  
He said I want you to know there are people out there,  
who try to stop you cause they donâ€™t care  
About the way we do things down here in the South  
There ainâ€™t nothing wrong with being raised this way,  
I donâ€™t give a dâ€™ - what they say  
Drop the tailgate show them what itâ€™s all about ...

Chorus:

Turn â€™em loose let â€™em run, it will only be a minute and the race is on  
Once they hit that cypress pond, the dogs went to singing their sweet song  
Wait jusâ€™ a minute theyâ€™re coming my way, maybe this will be my lucky day  
I wish everybody could understand a full-blooded Dog Huntinâ€™ Man ...

Verse II:

My little boy is only 6 years old,  
standing with me out here in the cold  
He just would not have it any other way  
He said â€˜Daddy donâ€™t you know that it wonâ€™t be long,  
Iâ€™ll be driving a truck of my own  
With four big tires and a dog box in the backâ€™

About that time on the radio,  
Mutt & Jeff saw a big buck cross the road,  
Said look out fellas, cause here he comes  
I turned around and looked at him,  
he looked up at me with a big old grin  
He spun around this hat as he said ...

(Chorus)

Verse III:

Rich man moved in from out of state,

buying up property and putting up gates  
And said I donâ€™t want you or your dogs on my land  
He said Iâ€™ve never hunted by running dogs,  
in fact it should be against the law  
Cause all you needed was a corn pile and a stand  
Early one morning we made a drive,  
the beagles took an eight-point across the line  
And shots rang out like thunder through the air  
Rich man came down the road doing 85,  
slammed on brakes with a power slide  
I couldnâ€™t believe my ears when he said ...

(Chorus)

Well letâ€™s turn â€™em loose let â€™em run,  
I canâ€™t remember having that much fun  
The way them dogs went to singing their song,  
I could have listened all day long  
Is there any way we can do it again,  
cause now your dogs are my best friends  
Now I can say I understand  
a full-blooded Dog Huntinâ€™ Man.
