

Fantasy (Spending Time With You)

Will Downing

Spend a little time with you, baby
(Spending time, spending time, spending time with you, baby)
Thats all I wanna do
(Spending time, spending time, spending time with you, honey)Spend a little time with you, honey
(Spending time, spending time, spending time with you, baby)
Thats all I wanna do, yeahHolding you
(Feeling you, rubbing you, all I want is you, baby)
Thats all I wanna do
(Feeling you, rubbing you, getting close to you, honey)Kissing you
(Kissing you, touching you, caressing you, sexy darling)
Thats all I wanna do, yeahLady, imagine your body close to mine
(Lady, gonna lay with you, baby)
Skin to skin, legs intertwined
(Touching your body)
Whispering, ooh, its ecstasy
In my, in my fantasySpending time, spending time, spending time with you, baby
Spending time, spending time, spending time with you, honey
Spending time, spending time, spending time with you, baby
Youre my fantasySo tell me
(Talk to me, baby)
All the things flowing through your mind
(Tell me whats on your mind, my baby)I guarantee I can satisfy
(Satisfy you, baby)
All your wants and needs, baby, Ill provide
Cause youre my, youre my fantasy tonightI like what you do to me, baby, in my fantasy
Do you know what you do to me? What you do with my fantasy?
I like what you do to me, baby, in my fantasy
Do you know what you do to me? What you do with my fantasy?
Youre my fantasyMy body is calling you, come and answer me, baby
[Incomprehensible] we can do, imagine you and me, baby
Dont wanna stop, gonna keep it hot, just wanna be with you, babySo tell me
Tell me all the things flowing through your mind
(Talk to me, baby)I guarantee I can satisfy
(I, I can satisfy)
All your wants and needs, baby, Ill provide
(Ill provide)
Cause youre my, youre my fantasy tonightI like what you do to me, baby, in my fantasy
Do you know what you do to me? What you do with my fantasy?
I like what you do to me, baby, in my fantasy

Do you know what you do to me? What you do with my fantasy? Hugging, kissing, loving, do me, baby, do me,
baby

Loving and rubbing Do you know what you do to me? What you do with my fantasy?

I like what you do to me, baby, in my fantasy

Do you know what you do to me? What you do with my fantasy?

I like what you do to me, baby, in my fantasy
