

Walk Beside Me

Celtic Woman

Put one foot in front of the other
Steppin into the here and now
I'm not sure just where I'm goin
but I will get there anyhow.I got this far with no direction
Followed my nose to where I stand
My heart's still strong, I know I'll make it
Sit right down in the promised land.Sister come and walk beside me, until our
pathways do divide
Nothin much but love to give you, even
less I have to hide.When you left me in the spring time
So many questions on my mind
Summer came and left me waitin
Not one answer could I find.I see you in the Rocky Mountains
I feel you on the great North Sea
It's a lonesome road I have to travel
But you will always be with me.Brother come and walk beside me, until
our pathways do divide
Nothin much but love to give to you, even
less I have to hide.I hear laughter in the thunder
I feel comfort on the wind
I see hope in hopeless faces
Some day they will love again.People come and walk beside me, until
our pathways do divide
Nothin much but love to give you, even
lessm I have to hide.
