

Regrets

Union 13

You say I don't have a life
I don't have what you have
I don't live with my regrets I do all I want to do
No sky is my limit
I'm gonna live my life
The way that I think is best for me You've tried to hold me back
I've never given in to your
Perfect so called way of life You called me a retard
'Cause I don't think like you
It takes a smart man to play dumb You say I don't have a life
I don't have what you have
I don't live with my regrets I do all I want to do
No sky is my limit
I'm gonna live my life
The way that I think is best for me You've tried to hold me back
I've never given in to your
Perfect so called way of life You called me a retard
'Cause I don't think like you
It takes a smart man to play dumb
