

# Gnashing of teeth

## The Mighty Diamonds

Weeping and wailing and mourning  
And gnashing of teeth,  
Ah ah,  
Weeping and wailing and mourning  
And gnashing of teeth, yeah

When the judges of judgment  
Forward in front of I,  
He and she will be judge  
According to the work they have done.  
Not even the suckling shall not escape, so  
Weeping and wailing and mourning  
And gnashing of teeth, yeah x2

Na na na,  
When the earth has been cleansed,  
And the righteous will be standing on the land,  
So no matter what you do only good works  
Shall see you through,  
Weeping and wailing and mourning  
And gnashing of teeth, yeah x2

Na na na  
Yeah, weeping and wailing and mourning  
And gnashing of teeth, yeah x2

When the judges of judgment  
Forward in front of I,  
He and she will be judge  
According to the work they have done,  
Not even the suckling shall not escape,  
Weeping and wailing  
So weeping and wailing  
And gnashing of teeth, yeah x2

When the earth has been cleansed,  
And the righteous shall stand on the land,  
So no matter what you do, only good works  
Shall see you through.  
Weeping and wailing and mourning

And gnashing of teeth, yeah now x2
