

# All for You

Zach Robinson

There's been times, I'm so confused  
And all my road, they lead to you  
Just can't turn and walk away  
It's hard to say what it is I see in you  
If I'll always be with you  
Words can't say it, I can't do  
Enough to prove, it's all for you  
Finally I figured out  
But it took a long, long time  
Now there's a turnabout  
Maybe 'cause I'm tryin', yeah  
There's been times, I'm so confused  
All my road, they lead to you  
Just can't turn and walk away  
Well, it's hard to say what it is I see in you  
If I'll always be with you  
Words can't say it, I can't do  
Enough to prove, it's all for you  
I'd thought I seen it all  
'Cause it's been a long, long time  
Oh but then we'll trip and fall  
Wonderin' if I'm blind, yeah  
There's been times, I'm so confused  
All my roads, they lead to you  
I just can't turn, you walk away  
It's hard to say what it is I see in you  
Wonder if I'll always be with you  
Words can't say and I can't do  
Enough to prove it's all for you  
Rain comes pourin' down  
Fallin' from blue skies  
Words give out a sound  
Comin' from your eyes  
Finally I figured out  
But it took a long, long time  
Oh now there's a turnabout  
Maybe 'cause I'm tryin'  
There's been times, I'm so confused  
All my roads, they lead to you

Just can't turn and you walk away  
It's hard to say what it is I see in you  
Wonder if I'll always be with you  
Words can't say, I can't do  
Enough to prove it's all for you  
It's hard to say what it is I see in you  
Wonder if I'll always be with you  
Words can't say, I can't do  
Enough to prove, it's all for you  
Well it's hard to say what it is I see in you  
Wonder if I'll always be with you  
Words can't say, I can't do  
Enough to prove, it's all for you  
Hard to say, yeah, yeah  
Hard to say, it's all for you
