Know Me

Frankie Rose

It's still time...
Lost and alive,
It's time to.Chorus:
...don't know me
I hear what they said
It doesn't hurt me I rather be deaf
...don't know me
I hear what they said
...don't know me
I know!What kind of life...
Lost and.
it's time to...Chorus:
...don't know me
I hear what they said
It doesn't hurt me I rather be deaf
...don't know me
I hear what they said
...don't know me
I know!
