FALLEN

muzyka: P. Grzegorzcyk/P. Kdzierzawki

tekst: P. Grzegorzcyk I can cry when You let me cry...

Even die when I see Your li(f)e...

I can fall to save Your heaven...Can not sleep when I see Your dreams...

But I can fade out eternal light...

I can fall to save Your heaven...I'm fallin' down...

I've lost my faith...

I'm fallin down...

When I die all the angels fade away...

I'm fallin' down...

I've lost my faith...

I'm fallin down...I see the cross over fields of blood...

Look around - endless sea of hate...

Silence...

Seven songs of darkness...I can cry when You let me cry...

Even die when I see Your li(f)e...

Even die!!!

Just to save Your heaven!!!Moesz spa, kiedy inni pi

Nie czu nic I nie mwi nic

Zwrci film i przepieprzy ycie...

Lecz jeden krok mo zmieni wiat

Jeden gest i podanie rki

Jeden dzie moe zmieini wszystko...I'm fallin' down...

I've lost my faith...

I'm fallin down...

When I die all the angels fade away...

I'm fallin' down...

I've lost my faith...

I'm fallin down...
