

Spanish Fly

C Note

You're my spanish fly
Yes you are yes you are yes you are
You're my my my my my my spanish fly
I feel your love inside of me
Sin ti no voy a poder vivir
So if you see what I can see
Es porque me amor es para ti
That's why you're my spanish fly
Girl you're everything I need
Mi corazon te necesita aqui
You're my my my my my my spanish fly
The things you do you attitude
Como te mueves cuando te veo bailar
Don't stop being true to me
Dame un momento para enseñarte a ti
Baby a moment or two is all that I need to make you believe that i
No puedo estar sin ti tu amor me hace a mi
So happy gotta be my spanish fly
You're my spanish fly
Girl you're everything I need
Mi corazon te necesita aqui
You're my my my my my my spanish fly
(rap) a tu te quiero word no telo niego
Cause you was with me even when I had no dinero
Now I'm livin' like a fellow sippin' sweet amaretto
Take you see the soul train awards,
You vibe is mellow you on a whole other level
Not just sexual but you deep intellectual
Next to you I'm moving 360 energy
So shimmy shimmy c'mon shimmy shimmy
Set it free your relaxation is electric
You got the bomb kitty and you got the best decision makin' mind girl I know in abundance
You the queen mother earth
I roll in you circumference
Fun things the freaky deaky on the d-low
I love it when you tell me stuff that boosts up my ego
Now you got poppy feelin' large latin cigars pop in c note why you give a massage.
You're my spanish fly
Girl you're everything I need

Mi corazon te necesita aqui
You're my my my my my my spanish fly
