

# Kiss an Angel Good Morning

Charley Pride

Whenever I chance to meet  
an old friend on the street  
They wonder how does a man  
get to be this way

I've always got a smilin face  
Anytime and anyplace  
Everytime they ask me why  
I just smile and say

You've got to  
kiss an angel good morning  
Let her know you think about  
her when your gone  
Kiss an angel good morning and love  
her like the devil when you get back home

Some people they try to guess  
The secret of happiness  
But some of them will never  
learn it's a simple thing

The secret that I'm speakin of  
Is a woman and a man in love  
And the answer is in this song  
that I always sing

You've got to  
kiss an angel good morning  
let her know you think about when your gone  
Kiss an angel good morning  
and love her like the devil when you get back home

Kiss an angel good morning  
let her know you think about her when your gone  
kiss an angel good morning  
and love her like the devil when you get back home
