She's Fat

Buck-O-Nine

Advisory - the following lyrics contain explicit language:

She's fat, she's a slut
She told me I had a cute butt
Right away I fell for her
She made me feel so secureI don't mind her being all that
I don't mind her being fat
But she told me a big white lie
How could I look her in the eyeShe told me that she loved me
Was it just a lie?
Now she's with someone else
She waved me goodbyeNow that time has passed
I can't seem to get her off my mind
They say the pain will go away
It's just a matter of time
