Rock Bottom

Ruff Ryders

Yeah, yeah, yeah
We ain't never went nowhere niggaI'm speakin' from the rock bottom, got a problem I can solve 'em
Get your paper burn 'em out and I can pop 'em
I'm speakin' from the rock bottom, got a problem I can solve 'em
Get your paper burn 'em out and I can drop 'emI said son of [unverified] drugged up with Kevin
Visit yours my mother protected my Smith 'n Wesson
We all done struggled the same up in the crescent
Muscled our way for now to be presentLong ways to replace that, try and take that
We gon' get there, guess where his wake at
Life-threatenin', walk over to the Gotham
Where it don't cost much, for you to pop oneNot one, shot clean after I'm out with the glow
Found him in a bag on the road
Everything that's fat is trapped in his nose
Gats was arosed, then and again
He was, with no sin as if you wanna see usIt's mandatory, no motherfuckin' glamour story
Strictly owned, got the fame and glory
My name'll hold me down, I witness how it's goin' down
I see my will is bread and rosy like a weed growin' outI'm speakin' from the rock bottom, got a problem I can solve 'em
Get your paper burn 'em out and I can pop 'em
I'm speakin' from the rock bottom, got a problem I can solve 'em
Get your paper burn 'em out and I can drop 'emI'm speakin' from the rock bottom, got a problem I can solve 'em
Get your paper burn 'em out and I can pop 'em
I'm speakin' from the rock bottom, got a problem I can solve 'em
Get your paper burn 'em out and I can drop 'emI got niggaz confusin' the loser, Fiend mental ball cruiser user
These tactics, that make you do more than bend you over backwards
Bring slaughter to men, that serves less than a quarter
All of us are just in line so we can sail at the borderHot water couldn't remove, the blood out the grooves in my shoes
That's because then that nigga died on last night news
That trigger played with no shell, no clues
And the job was more handed to you, that's where the real moneyFeedin' survivors real hungry, like lines stretchin' them similar
To the cord on the bungee, my Lord told me
"You gon' take, everything but my soul from me
Along with somethin' out the four, oh, from me"Spit it how I live it, my heart got calm, go take a visit
And see that I'm repetitious that kinda survives so I did it
It's all in this speaking, playa is you eatin'?

If it's 'bout helpin' you, bought a piece
And his balls are the reason for theI'm speakin' from the rock bottom, got a problem I can solve 'em
Get your paper burn 'em out and I can pop 'em
I'm speakin' from the rock bottom, got a problem I can solve 'em
Get your paper burn 'em out and I can drop 'emI'm speakin' from the rock bottom, got a problem I can solve 'em
Get your paper burn 'em out and I can pop 'em
I'm speakin' from the rock bottom, got a problem I can solve 'em
Get your paper burn 'em out and I can drop 'emI'm speakin' from the rock bottom, got a problem I can solve 'em
Get your paper burn 'em out and I can pop 'em
I'm speakin' from the rock bottom, got a problem I can solve 'em
Get your paper burn 'em out and I can drop 'emI'm speakin' from the rock bottom, got a problem I can solve 'em
Get your paper burn 'em out and I can pop 'em
I'm speakin' from the rock bottom, got a problem I can solve 'em
Get your paper burn 'em out and I can drop 'emRock bottom, rock bottom, rock bottom
(Rock bottom, rock bottom, rock bottom, rock bottom)This how we do it from the rock bottom, you dig?
Mississippi David Banner, bringin' it home, where it belongThis how we do it from the rock bottom, you dig?
Mississippi David Banner, bringin' it home, where it belongThis how we do it from the rock bottom, you dig?
Mississippi David Banner, bringin' it home, where it belong
