Keep It Comin'

Uncle Kracker

I'll keep it, I'll keep it, I'll keep it, I'll keep it
I'll keep it comin' with the ooh
I'll keep it comin' with the ooh
I'll keep it comin' with the ooh
I'll keep it, I'll keep it, I'll keep it
(Ooh)
Ain't it great to be alive, ain't it great to breathe
Ain't it great to have hit songs hidden up my sleeves
I ain't silly and my songs ain't cute
I don't fly like a bird I just shine for loot, uh
You can believe I ain't close to done
You talk hits, you've never been close to one
You ain't supposed to run, you can tell them I said that
Quick from the get, you know my hearts where my heads at
I'll keep it comin' with the ooh
I'll keep it comin' with the ooh
I'll keep it comin' with the ooh
I'll keep it, I'll keep it, I'll keep it
(Ooh)
I'll keep it comin' with the ooh
I'll keep it comin' with the ooh
I'll keep it comin' with the ooh
I'll keep it, I'll keep it, I'll keep it
(Ooh)
Spent the last six months sittin' out in the cold
You know I cried for help but I got put on hold
We dropped double wide and you thought it would fold
It wasn't lookin' good, but now your uncle went gold
Sold five hundred thou like plow
Pushed one million everybody went how?
Now I'm two plus, sittin' two plush
I dare your punk ass to ask me what?
I sold the farm and bought it right back
I was sittin' in the red but now I'm back in the black, uh
I'm in tact went from broke to plastic
All my hoopties turned into classics
I've outlasted singin', "Yes, yes y'all"
Got em' all kinda hopin' I'll return their calls
And just when you thought that there was nothin' to see

You heard me comin' around the corner hummin', "Follow Me"
And here I am, I'm live and direct
I'm makin' everybody wonder what I'm gonna do next
I don't flex because that's not my style
I'll be singin' what I'm bringin' baby all the while and I
I'll keep it comin' with the ooh
I'll keep it comin' with the ooh
I'll keep it comin' with the ooh
I'll keep it, I'll keep it, I'll keep it
(Ooh)
I'll keep it comin' with the ooh
I'll keep it comin' with the ooh
I'll keep it comin' with the ooh
I'll keep it, I'll keep it, I'll keep it
I'll keep it comin' with the ooh
I'll keep it comin' with the ooh
I'll keep it comin' with the ooh
I'll keep it, I'll keep it, I'll keep it
(Ooh)
I'll keep it comin' with the ooh
I'll keep it comin' with the ooh
I'll keep it comin' with the ooh
I'll keep it, I'll keep it, I'll keep it
(Ooh)
I'll keep it comin' with the ooh
I'll keep it comin' with the ooh
I'll keep it comin' with the ooh
I'll keep it, I'll keep it, I'll keep it
(Ooh)
I'll keep it comin' with the ooh
I'll keep it, I'll keep it, I'll keep it
I'll keep it comin' with the ooh
