Raw

Staind

RAWThe pictures left with me won't fade
These images affect me every day
Cause of you I feel I don't deserve
The life I see in herJust don't leave me
RAWInside I'm so cold
Inside I'm so coldRAWI've never been someone who knows
My choices haunt me everywhere I go
Finally did something right for myself
My life to you no one elseJust don't leave me
RAWInside I'm so cold
Inside I'm so coldI'm so cold
I feel so coldI CAN'T TAKE THIS
RAW
I feel so...Inside I'm so cold
Inside I'm so coldRAWI feel so?RAW
