

Shadows in Silence

Enigma

Give me release
Witness me
I am outside
Give me peace Heaven holds a sense of wonder
And I wanted to believe
That I'd get caught up
When the rage in me subsides In this white wave
I am sinking
In this silence
In this white wave
In this silence
I believe Passion chokes the flower
'til she cries no more
Possessing all the beauty
Hungry still for more Heaven holds a sense of wonder I can't help this longing
Comfort me
I can't hold it all in
If you won't let me Heaven holds a sense of wonder In this white wave
I am sinking
In this silence
In this white wave
In this silence
I believe I have seen you
In this white wave
You are silent
You are breathing
In this white wave
I am free
