

Afterlife (Various Live Tracks 87/89)

Sacrifice

The wheel of life turns forever
A horizon begins to each that dies
Transmigration follows every soul
Must we all live an endless lifeAfterlife's spell
The end is birth
Earth is hellDream of the kingdom are shattered
You will never enter heaven
We all must live eternal life
Living in the torment of deathThe wheel of life turns forever
A horizon begins to each that dies
Transmigration follows every soul
Must we all live an endless life
