

I'm Coming Home

Lionel Richie

Looking back
I can see the things
I should'a done, could'a done
I see so much of my life I let go by
But when you're young
All you know how to do is wrong
Life can play tricks sometimes, you know
You think you got everything
When you got nothing at all
The only way you know where you're going
You gotta take a fall, you've got to lose it all
I've been through love
(I'm coming home)
I've been through some pain i know
(I'm coming home)
Changes in my life
(I'm coming home)
Now I know what's meaningful
(I'm coming home) Looking back
I hear my family calling me
All my friends and loves I let go by
They wanted me to stay
But I was on a journey
There are so many faces
There are so many stories I know
But when I opened my eyes I had to realise
There's only one place to go,
This time I'm sure
I've been through love
(I'm coming home)
I've been through some pain I know
(I'm coming home)
Changes in my life
(I'm coming home)
Now I know what's meaningful
(I'm coming home) Through all the things that I've been through
There's only one thing left to do
This time I'm gonna get it right (uh huh) I've been through love
(I'm coming home)

I, I've been through some pain I know
(I'm coming home)
Changes in my life
(I'm coming home)
Now I know what's meaningful
(I'm coming home) I've been through love
(I'm coming home)
Pain I know
(I'm coming home)
Changes in my life
(I'm coming home)
Now I understand what's meaningful
(I'm coming home)
So much love (Love)
(I'm coming home)
Pain I know (Pain)
(I'm coming home)
I, I've had some changes in my life
(I'm coming home)
Now I know what's meaningful
(I'm coming home)
What's beautiful, it's so beautiful
I'm coming home
(I'm coming home)
