Speak Up (Das Kapital Remix)

Laidback Luke

Can I get some love?
'Cause you've been on my mind
I got this little crush
So can I get some time?
I just wanna know if you gon' give me some
Are you gonna tell me yes
Or are you gonna tell me no?Na na na na na..Speak up what ya waiting for?
Speak up I know you want more
Speak up what ya waiting for?Speak up x4
Speak up, speak up up up ...Speak upSpeak up what ya waiting for?
Speak up I know you want more
Speak up what ya waiting for?
x2Speak up x4
Speak up, speak up up up ...Speak up
