

# Fashion Week (feat. G-Eazy)

## Wale

Find me a Kendall Jenner I'll be a gentleman to her (catch up)  
Give me a Jourdan Dunn she never gonna finish a nigga  
Hol' up Walk by, on fire baby can't douse it  
That body bangin', accept that  
You should model, girl who do your booking?  
Walk by, on fire baby can't douse it  
That body bangin', accept that  
I walk by again, a little look quick, hol' up Switch, gold switch (switch)  
Switch, gold switch (gold)  
Switch, gold switch (switch)  
Switch, gold switch  
My bitch  
Switch, gold switch (there I go)  
Switch, gold switch (there I go)  
Switch, gold switch (make sure your posture right baby)  
Switch, gold switch (show some love tonight) Hm, I know a thing  
And she told me fuck her and call her a bad bitch  
I can never cuff her, I'm stuck on this rap shit  
Fuckin' up the budget but nothing but rap shit  
Hm, I know a thing  
Shea Butter on Twitter be callin' shawty a queen  
Head game silly, might give her the Don C  
Hair game killin' I get her a new McQueen  
In case you behind, though, let me remind you to wait and I make my move (who are you)  
Wale from the Maybach crew  
Heard about me, what they say about you?  
Party in the hills, tell that pussy come through  
Hol' up Walk by, on fire baby can't douse it  
That body bangin', accept that  
You should model, girl who do your booking?  
Walk by, on fire baby can't douse it  
That body bangin', accept that  
I walk by again, a little look quick, hol' up Switch, gold switch  
Switch, gold switch  
Switch, gold switch (Wale I got you)  
Switch, gold switch

My bitch You wanna sit front row?  
Ask me get anything that you want, though  
She a fashion killer, me I'm a cutthroat  
Goin' out tonight, she said that she wants coke  
1 Oak or Webster, up and down  
Paparazzi gonna think that I'm cuffing now  
It's casual I'll call you up when I'm back in town  
We fall out but she always come back around  
Hit Barney's and fuck up a check there  
In the dressing room, fuck have sex there  
"What's taking so long?" "Oh, she trying the next pair"  
People see us everywhere and they just stare  
And she mixing off white with SL  
I got my Vans on bitch, I dress well  
I'm from the bay, I see her once in a blue moon  
Until Paris Fashion Week, how soon is too soon? Walk by, on fire baby can't douse it  
That body bangin', accept that  
You should model, girl who do your booking?  
Walk by, on fire baby can't douse it  
That body bangin', accept that  
I walk by again, a little look quick, hol' up Switch, gold switch (switch)  
Switch, gold switch (gold)  
Switch, gold switch (switch)  
Switch, gold switch  
My bitch  
Switch, gold switch (there I go)  
Switch, gold switch (there I go)  
Switch, gold switch (make sure your posture right baby)  
Switch, gold switch (show some love tonight)  
My bitch (Get the best stone, froze, be the demise of you - better push through)  
(Get the best stone, froze, be the demise of you)  
Switch, gold switch  
Switch, gold switch  
Switch, gold switch  
Switch, gold switch SAP to code, code  
Damn I was froze  
But I'm hotter than you  
SAP to code, code, code  
SAP to code, code, code
